## Experience

### **Nike Inc - Color Design Assist for Global Equipment (ETW) 08/2019 - 09/2019**

- Assisted the PLMs with applying colors/graphics to bags and balls for Schematics and Family Files.
- Helped developed color direction and graphics to balls and bags for the Nigerian Football Team (FA20).

### **Nike Inc - Apparel Color Design Assist (ETW) 12/2018 - 01/2019**

- Assisted designers in creating further colorways of garments and supported correct sketches for use in line art database Illustrator.
- Helped the color designers prepare imagery and layouts for presentations and deadlines.
- Communicated with product line managers, designers, graphic designers, and developers, about the standing of products and images.

### **Aesthete Society - Design Assistant 06/2018 - Present**

- Brought color directions from the senior designer to life.
- Develop line art, patterns and intriguing colorways based on drawings and sketches of jumpsuits from one of the founding members of Aesthete Society.
- Created seven abstract mood boards that told the story of six iconic sneakers through imagery and color (Chuck Taylor All-Star, Nike Blazer, Air Force 1, Air Jordan 1, Nike Foamposite, and Nike Air Monarch) for Sneaker Week 2018.

### **PENSOLE - Color and Material Design 09/2017 - 12/2017**

- Created products that allowed consumers with multiple disabilities to experience unrestricted unilateral movement (Flyease apparel).
- Created strategic, commercial, SMU and core color strategies/colorways.
- Selected materials to solve athletes needs during activity and everyday life.
